

INDICATIVE SEAL

CABLE PLUS XXL (CBP XXL)

Fixed Length Seal

Versatility and practicability in one seal for comprehensive indication sealing.

Cable Plus XXL is a user-friendly and high tamper-evident seal. The seal is designed with a large plastic flap for bigger identifier marking space and quicker identification. The seal is small in size hence suitable for indication and security purposes.

Applications:

- Authentication Tagging
- Logistics
- Retail Applications
- F&B Applications

PREVENTION • PROTECTION • PEACE OF MIND

LASER MARKING OPTION

- 1 The Cable Plus XXL is moulded with high-impact ABS material with non-preformed galvanised steel wire to show clear evidence of tampering.
- 2 One-way locking mechanism is embedded for fast and easy application.
- 3 Extra large marking flap improves laser markings definition, visibility, and identification.
- 4 Irreversible identifiers such as name, logo, barcode, serial number and QR code are laser-marked on the flap.
- 5 Biodegradable additives for plastic material are available.
- 6 Plastic material can withstand extreme conditions, -20°C to 80°C.

TECHNICAL SPECIFICATIONS

PRODUCT -CABLE PLUS XXL (CBPXXL 200)						
Code	Material	Locking Length	Locking Size	Tensile Strength	Marking Area	Max Marking Digits
