

INDICATIVE SEAL

MINI TIGHT SEAL (MTS7)

Pull-Tight Seal

Small yet mighty seal for high strength and strong grip.

Mini Tight Seal is one piece, fully plastic moulded seal with thin and flexible strap. The ribs around the strap provide better grip on the application surface. The slim structure and relatively shorter strap make the seal ideal for light security applications and requirements with space-saving in mind.

Applications:

- Retail Applications
- Fire Extinguishers
- Petro-chemical
- Banking

PREVENTION · PROTECTION · PEACE OF MIND

LASER MARKING OPTION

- 1 The Mini Tight Seal is moulded with PP or high-impact NY material with locking ribs on the seal to provide better grip and stronger endurance during application. Tamper evidence signs are obvious on the strap.
- 2 One-way locking mechanism is embedded for fast and easy application.
- 3 Irreversible identifiers such as name, logo, barcode, serial number and QR code are laser-marked on the flap.
- 4 Biodegradable additives for plastic material are available.
- 5 Small diameter tail perfect for smaller applications.

PRODUCT - MINI TIGHT SEAL (MTS7)

Code	Material	Locking Length	Locking Size	Tensile Strength	Marking Area	Max Marking Digits
